F.No. II (3)-4/CCO/NZ/2019/Estt./AGT INSP/Pt

Nagpur, dated 25-06-2019

After due examination of the representations, submitted by the Inspectors regarding their outstation postings made in AGT 2019 Order, issued by this office, it is possible that some Inspectors, whose name did not figure in the Alert Notice, issued by this office may be now considered for outstation postings.

In this respect, the Inspectors whose names are mentioned in the table below are requested to intimate this office by 28-06-2019, whether they will face any difficulties, if they are considered for outside posting in Financial Year 2019-20. Further, if any discrepancy is observed in the Rank given in the last column of the table, it should also be brought to the notice of this office immediately. Please note that their ranks have been specifically mentioned because earlier, when the list of officers in descending order of length of tenure at Nagpur Station had been circulated by this office, not a single objection to inter-se placement was received by this office till the conclusion of AGT exercise.
