I am an Indian citizen . I am one of the end user of services and buyer of goods amongst crores of Indians who are ultimately paying CENTRAL EXCISE DUTY(ON PETROL & DIESEL) GOODS AND SERVICE TAX /CUSTOMS DUTY (which is a milestone in the economics landscape of India)to the Union Government Of India. The right to information is a fundamental right. THE RTI ACT 2005 is a big step towards making the citizens informed about the activities of the Government. Under GST, knowing one s GST number India is extremely important for any business -as the suppliers of the business need to quote the GSTIN correctly as the GST invoice serial number in all the invoices which are supplied, which will lead to the right allocation of input tax credit. The important identifier for businesses in the GST era is the GSTIN or Goods and Services Tax Identification Number, or simply GST number. Most businesses on applying for GST number or migrating their registration under the previous indirect tax regime would have first received a 15 digit provisional GSTIN, followed by confirmation of the same, once all the relevant documents have been verified. There can be multiple GSTIN for a single person, being an assessee under the Income Tax Act for every State or Union Territory in which such person operates from. It becomes compulsory to obtain GSTIN when the person crosses the threshold limit for GST registration by registering himself under GST.
